

Ausmahlungsgrade

Ausmahlungsgrade

The image displays four clear plastic bags filled with flour, arranged vertically. Each bag is shown from a top-down perspective, revealing the texture of the flour. The top bag contains large, irregular particles, the second bag contains smaller, more uniform particles, the third bag contains very fine particles, and the bottom bag contains the finest, most powdery flour. To the right of each bag is a grey rectangular label with white text indicating the grinding degree.
